

Dec Ramble: Orchard Road Xmas Light Up

The main arch leading to the Orchard Rd light up.

With the recent wet weather, we have decided to take a leisurely walk down Orchard Road to soak in the Xmas spirit.

This year's light-up is themed after the firefly garden, featuring vertical beams of light that mimic the wavelike motion of fireflies. Look out for the 14-meter-tall Xmas tress at Ngee Ann City Civic Plaza, and the enchanting Great Xmas Village. Don't miss the nightly snow show at 8pm. You may want to have your meal in the nearby vicinity before we meet up.

Meet at: **Orchard MRT (entrance from Orchard main road)**
 Date/Time: **16 Dec (Monday), 6.45pm. Leave at 7pm**
 Facilitator: **James Tay**

For new joiners please email secretariat@sace.org.sg. State your mobile number and whether you are a SACE member and we will include you in our group chat for logistic arrangement.

PRESIDENT

IRENE WEE

November is associated with harvest and thanksgiving. It's good to take a moment to remember all the good things that have happened this year, the results we have been able to accomplish and the many blessings that we enjoyed which we

have to thank others for: this will enhance our experience of December so we celebrate the year end with true Awareness and a spirit of Gratitude. Because Gratitude is the Door that opens our hearts to Happiness and all the blessings that await us.

Of course, we had our difficult times and I want to thank our Board members for the blood, sweat and tears, toiling for justice and the wellbeing of our members, balancing views and demands, clinging on to Truth and Wisdom all the while keeping our cool and maintaining a humble and kind approach to those whose lives we touch.

Our team of core administrators and many other volunteers also are remembered with appreciation for their efficiency and hard work. We will try to smoothen our rough edges with good example but most of all maintain a spirit of joy that we can serve instead of being needy.

The love, support and kind WORDS of our members mean a lot to us and we hope you keep them flowing. Remember to multiply our blessings and bring new friends to our community!

We wish one and all a very happy and satisfying year end and fresh Hope for a successful 2025.

We met on 22nd Nov. We discussed Singapore's meritocratic society. Does success breed arrogance? What does success mean? Can a truly classless society be achieved or indeed essential?

Join us for our monthly discussions on topics that matter. Let us explore ideas that impact our values and choices.

SHA (SACE Harmonica Alumni) performed at HAS (Harmonica Aficionados Singapore) Wonderful Sunday on 17 November. With us is our harmonica trainer Eddy Ooi (second from right). To date he had trained well over 100 trainees at SACE.
